Inside Illustration: Children

Creating your own world for children w/ Pintachan: 13 June 2023

We encourage you to select <u>one</u> of the following briefs and produce rough sketches prior to this *Inside Illustration* course session. Towards the end of the session you can receive and provide peer-to-peer constructive feedback on the roughs in small breakout groups with other attendees.

After the session, should you choose to take any roughs through to final artwork, please upload it to your AOI Folio and let us know via email: derek@theaoi.com
Deadline for final artwork: 13 July 2023

We will feature a selection of finished artworks in a curated Folio, which the AOI will showcase via our socials and newsletter.

Feel free to also tag **@theaoi** into roughs and/or final artwork posts on your socials.
We're looking forward to seeing what you create!

. . . .

Briefs set by Pintachan. Please watch the briefing video here.

Brief 1:
Create a group of shapes, objects or images that can be pieced together to form different robot characters.

Brief 2:
Create a character that could work as a physical object or toy, that when you turn upside down, reveals another character.
